MIKE LOHRMANN REPORTS THE NEWS

Eagan Area (AP) Since the restraining order has lapsed, Mike was joined the family in a supervised series of visits. As a long-time favorite of Janer, Mike accepted the offer from the

Newsletter to report on both family news and rumors. After spending an afternoon with the family, Mike has filed his "known facts" findings below.

1. My Head Is As Large as Jeff's Head: "All my life, I have been under the impression that Jeff's head was the single largest melon in the world. However, at our recent get-together, our craniums were determined to be the same circumference."

2. Dean Is Still Cute As Ever: "I have heard from Joanie but never believed it: Dean is as cute as a button: a cute, hairy, giggly button."

3. Uncle Bing Is The Funniest Family Member: "After seeing some photos of Lorrie, I was reminded of our family's vaudevillian days. But none of them could hold a candle to Uncle Bing."

4. I Find No Humor In Vomit Stories About Me: "So I throw up in Janer's front yard once during the Bicentennial and I still need to hear about it? I think it is much more enjoyable when we make fun of (Little) Billy Miller, either Liverseed boy or Jack."

Happy
Birthday
from your
favorite niece!

LORRIE PHOTOS FINALLY DISCOVERED! (NATIONWIDE SEARCH CALLED OFF)

1994

1996

Faribault (AP) The Poirer Drugstore photo vigil ended last week when the news of two photos of Lorrie being "discovered" and sent to Mom's Newsletter. Long known as the Greta Garbo of the family, Lorrie has made a conscious effort to avoid photographers since the early 1990's. "I want to be alone, unless Aunt Lorraine is cooking something," says the eldest and most mysterious daughter of Judy.

No one in the family is claiming responsibility for finally providing the newsletter staff the photos, but a few rumors abound at the list of possible co-conspirators. An Atlantic City casino has provided the following odds for the potential source of the photos:

Her Children: (4 to 1) It is unknown if it was Cassie or Andy (or both) but they had the motivation, the opportunity and the largest collection of pictures this side of Morristown.

Las Vegas Police Department: (6 to 1) Although the saying is "What Happens in Las Vegas, Stays There," that isn't the case with Lorrie. It is more like "What Happens in Las Vegas is usually Lorrie's fault."

Frustrated Vizsla Competitors: (9 to 1) A large group of Vizsla breeders who are tired of getting their asses kicked by Lorrie and her wonder dogs. The motivations to embarrass her make this group of candidates highly probable, even possible.

Mike Dapper: (14 to 1) A long time friend of the family, Mike seems to know "a lot" about Lorrie's history from the mid-eighties.
