## New Grandma Lorrie Beyl Teases Joanie "My Grandchild is Much Cuter than Yours"

(Vizlavlille, Wisconsin)

"Well, you can't teach an old dog new tricks," said **Joanie Boysen** as she continued to tolerate the outside screams of her rapidly-aging niece, **Lorrie Beyl**. "She teased me as a child and she now torments me with the arrival of **Audrey Lorraine Jeffrey Beyl**.

"Yoo-hoo! Do you hear me Joanie? I have the most beautiful grandchild in the world," screamed Lorrie from the garage area. "She is so pretty and she has my good looks."

The daily demonstrations became more of "an annoyance on the second day" per Ms. Boysen. "Hey, family is family but Lorrie coming over and doing her 'grandchild superiority dance' wears a bit thin after a few hours." Joanie's legendary patience has also worn thin since Lorrie has ignored her request to stop using **Avery LJ** like a ventriloquist dummy. "Lorrie will put little **Avery Lorraine-Jeffrey** up to her face and say the most horrible things about my sons and then peek around the child to make sure I was listening."

The sheriff has chased Lorrie off the property a few times but she seems determined to continue to return. "I know I need to take the high road when dealing with an obviously mentally unstable family member," said Joanie. "Jeez, I miss the days when I thought Jeff was the only goofy one in the family." On a related note, Lorrie is planning to take her tribute show on the road with stops in Winona, Owatonna and Zimmerman,
